

How to get from Bratislava Hlavná stanica (Central Railway Station) to Park Inn Hotel

By bus

You have to get out of the main train station and by your right hand you will see bus stations of public transportation. Tickets for public transport are provided by vending machine near platform number 1. For a single ride buy 15-minute ticket (0,70 €). For a transfer ride buy the 60-minute through-ticket (90-minute during non-working days) for 0,90 €.

There is really no easy and good way how to get by public transport from the train station to the Hotel. The option a) is probably the most easiest for those, who are willing and able to walk with the luggage through the old town. The other two options (b and c) also require walking for switching the buses.

These are the three options:

a) From the platform number 1 you will take bus line number 93. After 3 stops (approx 6 min) you get off on stop called **Zochova**. From there you take the underground pathway to the bus stop on the other side of the avenue and walk down towards the old town through Klariska street. Walk straight down 200 metres and after a passage in the old town turn right on Venturska street. After 300 metres you get to the Hviezdoslavovo sq. and you see the Hotel on your right hand. The walk will be 10 minutes.

b) From the platform number 1 you will take bus line number 93. After 4 stops (approx 7 min) you get off on stop called **Aupark**. Do not panic, the stop is on the other side of the river Danube. **Then you need to take stairs down below the bridge and turn around towards opposite directions** taking line **number 88** which take you to **the bus stop called Most SNP**. (1 stop, 3 min). Then you see the front entrance of Park INN hotel.

c) Same as b, but take bus **number 50** which stops in front of the main entrance shopping mall Aupark in the opposite direction from which you arrived. After 1 bus stop (3 min) you will reach Park INN hotel.
